

OneAmerica Stable Value Fund— Certification

This is to certify that a copy of the annual report for the OneAmerica Stable Value Fund has been filed directly with the Department of Labor (DOL). In general, the Employee Retirement Income Security Act of 1974, as amended, requires a copy of this annual report to be filed as part of the Form 5500 annual return for each pension plan that participates in this collective investment fund (CIF). However, according to DOL regulation section 2520.103-3, the plan is exempt from filing a statement of assets and liabilities of the CIF as a part of the plan's Form 5500 if the trust company sponsoring the CIF completes the following:

1. Provides a copy of the statement of assets and liabilities of the CIF directly to the DOL, and
2. Provides a list of plans participating in the CIF, along with the Employer Identification Number (EIN), plan number and name of plan sponsor for each plan participating in the CIF.

A copy of the annual statement of assets and liabilities of the OneAmerica Stable Value Fund is included. The accountant completing the Form 5500 will need the EIN of the CIF in order to complete Schedule D. This information is located on the title page of the CIF in the attached report. Please refer to the Form 5500 instructions for additional information.

We hereby certify that a copy of the most recent annual statement of assets and liabilities for the CIF of Midwest Institutional Trust Services will be filed directly with the DOL, in accordance with DOL regulation section 29 CFR 2520.103-9.

Midwest Institutional Trust Company
